

## **“OSFMA – Together We Make It Happen”**

### **One Day Conference Fee Added to 2011 Program**

For OSFMA members, and potential members, that have difficulties leaving the office for several days we are offering a Thursday only conference agenda. The \$75 fee includes OSFMA membership, Thursday workshops, luncheon and speaker, and the vendor trade show. We can only offer financial assistance to people that want to attend the entire three day conference.

### **Conference Financial Assistance Program**

The Financial Assistance Program was created as a means of assisting OSFMA Members and potential members to achieve greater professional expertise through membership in OSFMA when funding is not available through their school district or other means.

OSFMA Member previous recipients **are** eligible to apply again. There are two pools of eligibility:

- New applicants – *Eligible for membership and conference financial assistance. Financial assistance is not available for the one day, Thursday April 14, conference.*
- Current OSFMA members – *Eligible for conference financial assistance. Current members are responsible for paying the \$35.00 membership fee. Financial assistance is not available for the one day, Thursday April 14, conference.*

Registrants will be evaluated based upon the following criteria: The number of registrants, past funding received, available monies, timeliness, and membership status. Active participation in the OSFMA organization will also be a consideration. Additional consideration will be given to applicants from districts that have financial problems and cannot adequately support their M&O staff.

Individuals wishing to request financial assistance for OSFMA should submit the registration form to the Zone Director listed below, or the Executive Assistant, (Laura Nichols), in advance of conference attendance to permit review. Registrants will be notified upon review of their registration whether funding is available.

If you wish to apply for financial assistance to attend the OSFMA conference, contact your Zone Director or Laura Nichols, 800.799.6159, [osfma@osfma.org](mailto:osfma@osfma.org).
